# PAM STENZEL

## Coming to Richmond

**ADULTS ONLY** presentation on  
**Monday, November 16**  
Third Presbyterian Church  
7:00 - 8:30 p.m. (Fellowship Hall)  
600 Forest Avenue, Richmond 23229

Parents, grandparents, and adults working with youth are invited to hear Pam's cutting-edge message. You will be inspired as she shares the challenges facing today's young people and the importance of teaching about preventing sexually-transmitted diseases and teen pregnancy through abstinence education.

This is not sex education or about risk reduction. Her emphasis is prevention, with a focus on positive youth development.

**Admission is free, but seating is limited.** Make your reservation with Kathryn Buttrick at Third Church (kathryn@thirdpres.org or 282-4645 ext. 127).
